NOTE: In order to ensure compliance with the following, a minimum of two inspections will be required: an initial inspection of lines and equipment before they are covered, and a final inspection at the time the Town makes the final service line connection.

Excerpt from Highlands Code: Section 15-226. Application; fee.

"Any user desiring connection to be made with the sewerage system shall make application on the appropriate form to the Board stating the name of the owner of the property, the location of the lot, and kind of connection desired. Every such application shall be signed by the user making the application and shall be accompanied by the appropriate connection fee. Fees shall be those as determined from time to time by the Board and listed in the manual of fees and charges maintained in the clerk's office. The Town shall extend service lines to the property line of the user or for a distance of sixty (60) feet from its collector line, whichever is the lesser. All service connections shall be installed in accordance with "Town of Highlands Building Sewer Construction Standards." The actual connection of a lateral service line to a Town sewer system manhole or sewer line shall be accomplished by the Town."

I CERTIFY THAT THE FOREGOING INFORMATION IS ACCURATE TO THE BEST OF MY KNOWLEDGE, AND I AGREE THAT THIS CONNECTION SHALL COMPLY IN ALL RESPECTS WITH THE HIGHLANDS CODE, THE TOWN OF HIGHLANDS BUILDING SEWER CONSTRUCTION STANDARDS, AND ANY OTHER APPLICABLE REGULATIONS.
