**Section 13.5.1 (B) of the Town of Highlands Unified Development Ordinance permits temporary real estate signs without a permit provided the following conditions are met:**

- Only one sign permitted per property.
- Sign must be located on the premises advertised.
- Maximum size limited to four (4) square feet.
- Sign cannot be illuminated.
- Sign must be located a minimum of (10) feet from wear surface of public or private roadway.

**Section 13.5.1 (B) provides for the issuance of a temporary sign permit for signs that cannot meet the ten-foot setback requirement under certain conditions:**

“Real estate signs which cannot comply with the ten (10) foot setback requirement described in Section 13.5.1 (B) shall be permitted in the setback area, provided each sign satisfies each of the following conditions:

- 1.) The difficulty in erecting the sign to meet the setback requirement is due to the topographical factors;
- 2.) The sign cannot be erected anywhere on the property to satisfy the ten (10) foot setback requirement;
- 3.) The sign, when erected, will not impair sight distance.”

The applicant agrees to display sign(s) strictly in compliance with Section 13.5.1 (B) of the Town of Highlands Unified Development Ordinance, with all other applicable laws, and with the terms of this permit.
